### **2022 Ohio Sires Stakes Championships & Consolations**

Starters in the 2-year-old and 3-year-old Championships and Consolations shall be limited to eight on a half-mile track and to nine on a five-eighths mile track. Starters in either race need to meet requirements contained in Condition four (4). For the Consolation and Championship, all nominations and entry fees are added to the purse and the purse distributions for each race shall follow Condition eight (8). For non-purse earning finishers in the Championship Finals (6th through 9th on a 5/8ths or 6th through 8th on a half-mile) if a horse starts and finishes the race, they will receive a \$2,000 starter payment.

All horses receiving points in the legs may enter a Championship, but only the eight horses for a Championship on a half-mile track or nine horses for a Championship on a five-eighths mile track with the highest point totals of those entered will be selected as starters. Horses must start in at least one OSS leg to be eligible to start in the Championship or Consolation.

Points will be awarded in each of the first four legs of the series as follows: Win-50, Second-25, Third-12, Fourth-8, Fifth-5, and All Starters-1. In the event of a dead-heat, horses shall receive the standard distribution of points for their particular order of finish. For the purposes of awarding points to qualify for the Championship or Consolation, each division shall be considered a race.

When the Championship is raced on a half-mile track, the eight horses with the highest point totals are not eligible to enter the Consolation. When the Championship is raced on a five-eighths mile track, the nine horses with the highest point totals are not eligible to enter the Consolation. If a horse is eligible by points and drawn in to race in the Championship, the horse shall race only in the Championship. A horse scratched from the Championship is not eligible to enter the Consolation.

Excluding ineligible horses, all other horses receiving points in the legs may enter a Consolation, but only the eight horses for a Consolation on a half-mile track or nine horses for a Consolation on a five-eighths mile track with the highest point totals of those entered will be selected as starters.

Entry is not automatic. A horse must enter the Championship or Consolation to be named a starter. If six (6) horses are not entered, the Consolation shall be cancelled.

Points shall be awarded according to any placing of the judges and shall be used to determine which horses shall qualify for a Championship or Consolation. Any pending appeal of a ruling issued by the judges shall not alter the placing determined by the judges. If two or more horses tied in points declare in for the last position in a Championship or a Consolation, the horse with the highest OSS earnings for the current year will be the last starter. If the tie is not broken by earnings, the last starter shall be drawn by lot.

Two also-eligible horses may be drawn. The higher point winner shall be assigned also-eligible #1. If also-eligible horses tie in points, the horse with the higher OSS earnings for the current year would be also-eligible #1. If the tie is not broken by money earned, also-eligible #1 shall be drawn by lot. Also-eligible horses may move in if a scratch occurs prior to the designated scratch time at the track hosting the Championship or Consolation. Starters shall declare in at the usual time practiced at that track for overnight entries. All horses entered in a 2-year-old or 3-year-old Championship shall be required to report to the detention area at the racetrack hosting the Championships at least six hours prior to the advertised post time of the race entered. Any horse late for detention shall be scratched by the judges.
