The Common Sense Initiative was established by Executive Order 2011-01K and placed within the Office of the Lieutenant Governor. Under the CSI Initiative, agencies should balance the critical objectives of all regulations with the costs of compliance by the regulated parties. Agencies should promote transparency, consistency, predictability, and flexibility in regulatory activities. Agencies should prioritize compliance over punishment, and to that end, should utilize plain language in the development of regulations.

Regulatory Intent

No, it is not part of any federal program

4. If the regulation includes provisions not specifically required by the federal government, please explain the rationale for exceeding the federal requirement.

The Commission is the only entity that regulates horse racing in Ohio. No, it is not part of any federal program.

5. What is the public purpose for this regulation (i.e., why does the Agency feel that there needs to be any regulation in this area at all)?

These rules ensure a fair and safe thoroughbred racing.

6. How will the Agency measure the success of this regulation in terms of outputs and/or outcomes?

77 SOUTH HIGH STREET | 30TH FLOOR | COLUMBUS, OHIO 43215-6117

CSIOhio@governor.ohio.gov

These rules have been in place for some time and the Commission believes the success of these rules has been demonstrated.

Development of the Regulation

7. Please list the stakeholders included by the Agency in the development or initial review of the draft regulation.

The primary stakeholders are the seven commercial permit holders and members of the horsemen's association who are required to implement and/or follow these rules.

8. What input was provided by the stakeholders, and how did that input affect the draft regulation being proposed by the Agency?

These rules were provided to the industry for comments. No comments were received for suggested changes. The Commission does not believe that these rules need to be changed.

9. What scientific data was used to develop the rule or the measurable outcomes of the rule? How does this data support the regulation being proposed?

No additional scientific data was used to develop these rules.

10. What alternative regulations (or specific provisions within the regulation) did the Agency consider, and why did it determine that these alternatives were not appropriate? If none, why didn't the Agency consider regulatory alternatives?

No alternative regulations were considered as these rules have been in existence for several years and no changes were found to be warranted by stakeholders or the commission.

11. Did the Agency specifically consider a performance-based regulation? Please explain.

No, these regulations require permit holders and licensees to follow a consistent set of rules.

12. What measures did the Agency take to ensure that this regulation does not duplicate an existing Ohio regulation?

No other agency regulates horse racing in Ohio, therefore no duplication will occur.

13. Please describe the Agency's plan for implementation of the regulation, including any measures to ensure that the regulation is applied consistently and predictably for the regulated community.

The Commission has employees at all commercial tracks to ensure that these regulations are applied consistently and predictably for the regulated community.
