The Common Sense Initiative was established by Executive Order 2011-01K and placed within the Office of the Lieutenant Governor. Under the CSI Initiative, agencies should balance the critical objectives of all regulations with the costs of compliance by the regulated parties. Agencies should promote transparency, consistency, predictability, and flexibility in regulatory activities. Agencies should prioritize compliance over punishment, and to that end, should utilize plain language in the development of regulations.

### **Regulatory Intent**

- 3. Does the regulation implement a federal requirement? Is the proposed regulation being adopted or amended to enable the state to obtain or maintain approval to administer and enforce a federal law or to participate in a federal program?**

These rules are not part of any federal requirement or program.

- 4. If the regulation includes provisions not specifically required by the federal government, please explain the rationale for exceeding the federal requirement.**

These rules are not part of any federal requirement or program.

- 5. What is the public purpose for this regulation (i.e., why does the Agency feel that there needs to be any regulation in this area at all)?**

It also protects the integrity of horse racing. These regulations protect race participants and the wagering public by outlining the requirements for licensees who want to participate in horse racing.

- 6. How will the Agency measure the success of this regulation in terms of outputs and/or outcomes?**

These regulations have been in place for some time and the Commission believes the success of the regulation has been demonstrated. The stakeholders did not request any changes to these rules.

### **Development of the Regulation**

- 7. Please list the stakeholders included by the Agency in the development or initial review of the draft regulation.**

The stakeholders include the seven commercial permit holders and horsemen's and racing associations.

- 8. What input was provided by the stakeholders, and how did that input affect the draft regulation being proposed by the Agency?**

These rules were provided to the industry for comments. There were no comments received on any of these rules. The commission reviewed the rules and did not recommend any changes.

- 9. What scientific data was used to develop the rule or the measurable outcomes of the rule? How does this data support the regulation being proposed?**

No additional scientific data was used to develop these rules.

**10. What alternative regulations (or specific provisions within the regulation) did the Agency consider, and why did it determine that these alternatives were not appropriate? If none, why didn't the Agency consider regulatory alternatives?**

After the stakeholders and commission staff have reviewed the rules and no alternative regulations were suggested.

**11. Did the Agency specifically consider a performance-based regulation? Please explain.**

No, these regulations require licensees to follow a consistent set of rules.

**12. What measures did the Agency take to ensure that this regulation does not duplicate an existing Ohio regulation?**

No measures were taken because no other Ohio agency regulates horse racing. Therefore, no duplication will occur.

**13. Please describe the Agency's plan for implementation of the regulation, including any measures to ensure that the regulation is applied consistently and predictably for the regulated community.**

The regulations have been implemented for several years at all permit holders and no changes were requested in this five-year review.

**15. Why did the Agency determine that the regulatory intent justifies the adverse impact to the regulated business community?**

3769-7-02 This rule is justified to protect the integrity of horse racing and safeguard the interest of the public and racing participants through owners, corporations, partnerships, syndicates and other entities need to be licensed and held accountable to follow the rules of racing

3769-7-03 This rule is justified to protect the integrity of horse racing and safeguard the interest of the public and racing participants. The rule is justified because authorized agents must have a racing license and can be held accountable for not following the rules of racing.

3769-7-05 This rule is justified to protect the integrity of horse racing and safeguard the interest of the public and racing participants. The rule is justified because permit holders provide jockey caps of contrasting colors when one owner has two horses in the same race to have clarification between horses for the wagering public and stewards.

3769-7-06 The rule is justified because there must be penalties for breaking a written contract to protect licensees, the wagering public and the integrity of racing.

3769-7-09 The rule is justified because there must be penalties for discharging a contract person without a written notice to ensure the fairness and integrity of racing.

3769-7-10 The rule is justified because to protect the integrity of racing and wagering public. Also to protect the health of the horse by having a knowledge person in charge of the horses health.

3769-7-11 The rule is justified because there must be penalties to protect the wagering public and integrity of racing. The rule is justified to have penalties in place to keep owners from trying to coerce a jockey to ride another horse in the same race.

3769-7-12 The rule is justified to protect wagering public, integrity of racing, the health of the horse and other jockeys in the race.

3769-7-14 The rule justified to protect the wagering public, integrity of racing, the health of the horse and other jockeys in the race.

3769-7-15 The rule is justified because if a jockey has financial interest in a horse in training, he/she may not ride another horse with sufficient effort to win a race.

3769-7-16 The rule justifies restrictions of jockeys riding against an employer to protect the wagering public, integrity of racing. A jockey may favor his employer and not the owner of the horse that he is riding in the race

3769-7-17 The rule is justified because it clarifies the conditions for a jockey to be paid how jockeys are paid.

3769-7-18 The rule justified to protect wagering public integrity of racing through prohibiting jockeys from wagering on horses other than their own.

3769-7-19 There is no adverse impact.

3769-7-20 The rule is justified to protect the wagering public by the wagering public knows which jockey will ride the horse. The stewards can require the jockey to meet his riding obligations.

3769-7-21 The penalties for corrupt riding are well justified to protect wagering public, integrity of racing.

3769-7-22 Penalties for fraudulent practices are well justified to protect wagering public, integrity of racing from fraudulent practices.

3769-7-23 The rule is justified to wagering public, integrity of racing by setting conditions a jockey agent must follow.

3769-7-24 The rule is justified to protect the wagering public, integrity of racing by prohibiting a racing agent from falsifying records and being in the paddock during racing hours.

3769-7-26 The rule is justified because it states the obligations of the jockey quarters' custodian.

3769-7-27 The rule is justified by prohibiting the use of intoxicants or drugs during the racing day which protects the wagering public and the integrity of racing. It also protects the horses health and other jockeys in the race

3769-7-28 The rule is justified to protect the wagering public and integrity of racing by the restricting the jockeys while on duty from being in wagering areas and potentially getting on races and passing information to other bettors.

3769-7-29 The rule follows the statute.

3769-7-30 The rule is justified to protect the original jockey who was named on the original mount and is substituted, he or she receives a losing mount fee.

3769-7-31 The rule is justified because it protects the jockey from being pressured to take a lower fee.

3769-7-32 The rule clarifies what a jockey can do while suspended. A jockey is suspended in Ohio if suspended by another racing jurisdiction. It also informs the jockeys of the length of suspension for particular infractions.

3769-7-33 The rule is justified because it clarifies the duties of the valets.

3769-7-34 The rule justified to protect the wagering public and the integrity of racing by prohibiting the valet to wager.

3769-7-37 The rule is justified because it prohibits threatening an official and using improper language.

3769-7-38 The rule is justified because a suspended person should not be allowed on the racing property.

3769-7-39 The rule is justified because it allows the stewards to suspend a horse for the actions of the licensee.

3769-7-40 The rule is justified because a suspended person should not be allowed to participate in horse racing

3769-7-41 The rule is justified because a person who wins a purse by fraudulent practices should not be rewarded for the fraudulent practices and should have to return the purse to licensees who did not engage in fraudulent practices.

3769-7-43 The rule is justified because it prohibits suspended individuals in other jurisdictions to engage in horse racing in Ohio.

3769-7-45 The rule is justified because it disqualifies a horse and allows the redistribution of the purse and it rewards licensees who follow the rules.

3769-7-46 The rule is justified because it protects the wagering public, integrity of racing by not allowing a racing office employee to purchase or sell a horse during the racing meeting.

3769-7-99 This rule is justified to protect the integrity of horse racing, guard the health of the horse, and safeguard the interest of the public and racing participants

### **Regulatory Flexibility**

**16. Does the regulation provide any exemptions or alternative means of compliance for small businesses? Please explain.**

No, this regulation applies to seven commercial race track permit holders. It also applies to every licensee to apply these rules to all licensees. Therefore, an exemption for small businesses is not applicable.

**17. How will the agency apply Ohio Revised Code section 119.14 (waiver of fines and penalties for paperwork violations and first-time offenders) into implementation of the regulation?**

R.C. 119.14 is not applicable.

**18. What resources are available to assist small businesses with compliance of the regulation?**
