Mobil Solution wins \$75,000 Catlaunch Stakes

For immediate Release: September 15, 2018

by Kimberly Rinker, For the Ohio Thoroughbred Race Fund

Mobil Solution captured the \$75,000 Catlaunch Stakes on a beautiful Saturday afternoon, Sept. 15 at JACK Thistledown for owner Gerald Silver.

The Buckeye-bred 3-year-old son of Mobil, out of the Seeking the Gold mare Perfect Solution was sent off at odds of 7-1 with jockey Luis Rivera in the saddle.

Mobil Solution left the gate alertly and was content to stay behind the front-stepping 34-1 **Birdacious** until grabbing the lead in the final turn.

Stalked by 12-1 **Funnel Cake** (Luis Colon) and 12-1 **Rosco P. Coltrane** (Christian Pilares) in the late going, Mobil Solution held off his rivals to nail down the victory. **Eighththehardway** (T.D. Houghton) got up to grab fourth-place money at 5-1 odds.

Mobil Solution was timed in 1:48 for the one and 1/16-mile contest for Ohio-accredited breds.

Trained by Jeff Radosevich and bred by Mapleton Thoroughbred Farm, Mobil Solution now has \$208,970 in career earnings from four wins, four seconds and two thirds in 12 lifetime starts.

This triumph was Mobil Solution's third stakes victory, as he has previous won the \$75,000 Horizon Stakes on Aug. 12 at Belterra Park, and the \$75,000 Joshua Radosevich Memorial at Mahoning Valley last December.
