Fillies featured in \$75,000 Cincinnati Stakes

July 1, 2021

by Kimberly Rinker, Ohio Thoroughbred Race Fund

A full field of 11 Ohio Accredited 3-year-old fillies will take center stage at Belterra Park on Friday, July 2 in the \$75,000 Cincinnati Stakes. Post time for the one and one sixteenth mile event, scheduled as Race Seven over the Belterra turf course, is 3:29 pm, ET.

Sammy's Sister

Sammy's Sister, a bay daughter of Mobil-Lover, by Louis Quatorze, is one of the most prolific fillies in the group, with career earnings of \$111,796. Trained by Jeff Radosevich for Samuel Klein, Jr., Sammy's Sister captured the \$75,000 Glacial Princess Stakes at Mahoning Valley on November 28, 2020, for these same connections. Bred by Mapleton Thoroughbred Farm, she has three wins, three seconds and one third in eight lifetime starts.

Happy as You Go & rider Christian Pilares

Her main rival comes in the form of **Happy as You Go**, a dark bay filly by Mobil-Preservation Hall, by Dixieland Band who is conditioned by Robert Gorham for Marion Gorham. This speedy miss was also bred by Mapleton Thoroughbred Farm and has \$127,306 in her coffers from three wins, a second and a third in seven career starts. She finished second to Sammy's Sister in the Glacial Princess but had taken the \$75,000 Emerald Necklace Stakes on October 3 of last year as well as the \$75,000 Loyalty Stakes on September 18, 2020.
