Subject: Cancellation of Racing

You are hereby **directed**:

1. Horse racing is cancelled at your facility through May 15, 2020;
2. If your backside (including dormitories) is open, it **SHALL** remain open and operational until further notice;
3. If your track is available for training, it **SHALL** remain open for reasonable equine exercise until further notice;

The intent of this directive:

1. Prevent horse abuse or abandonment;
2. Allow for consolidated feed options;
3. Prevent homelessness for those who temporarily/seasonally reside on the backside;
4. Provide adequate exercise for horses on property needed to prevent injury potentially caused by confinement.

The Commission considers themselves a partner with the horsemen and permit holders in reaching a solution to the issues and stand ready to assist the parties in compromise.

You should take all reasonable measures possible to continue social distancing practices.

The Commission will continue to update you as pertinent information becomes available.

Thank you for your patience as we all deal with this unprecedented and very fluid situation. If you have any questions, please do not hesitate to contact me at 614-466-2758.
